Read also the following resolution of the Standing Committee

" On a close scrutiny of the revised budget estimate for 1925-26 and the budget estimate for 1926-'27 the Standing Committee finds that it is not possible to reduce the provision in the next year's budget estimate so as to wipe off the deficit which is apparently due to the reduction ordered by the Government in the contribution from General Funds of the Board nor can the amount of this contribution be enhanced as the general budget of the Board for the next year has also resulted in a deficit of Rs. 10,350/- which for compassionate grant has been applied for. The revised budget estimate for the year 1925-'26 has been now revised so as to meet the most essential needs of the Board till 31-3-1926 and with reference to the present circumstances. The

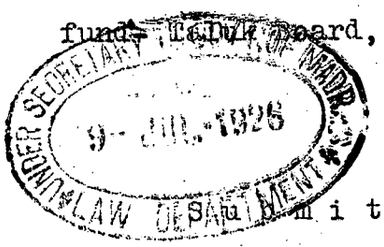
R.O.P No. 25 B-3/25-26, dated 7th July 1926.

Revised budget estimate for 1926-27- Elementary Education fund- Taluk Board, Udipi.



Submitted.

2. In framing the revised Budget estimate the Board has not wiped off the deficit. The Board requests the payment of a contribution under section 37 of the Madras Elementary Education Act of 1920 to wipe off the deficit. The request for additional grant has been refused twice- please see Government Memo No. 3614 A-1 dated 30th September 1925 and G.O.No. 517 R. Law (Education) dated 11th December 1925.

3. As the financial position is not satisfactory, the Board should have postponed the expenditure under capital items. It is observed that a sum of Rs.4670 has been spent in 1925-26 on land and buildings. In the Budget estimate for 1925-26 approved in G.O. No. 1362 Law (Education) dated 7th August 1925 a sum of Rs.800 was provided under capital and there was no provision under land and buildings. The Board should have obtained previous sanction for incurring the expenditure of Rs.4670 as it was not provided for in the sanctioned Budget estimate for 1925-26. The request for additional grant is therefore not recommended.

506. Read Government endorsement No. 420 A-1 dated 15-2-1926 -- communicating a copy of the endorsement of the Director of Public Instruction, Madras, R.C.P.No.25-D-3/25-26 dated 1-2-1926 and requesting to revise the Elementary Education Budget in the light of the remarks of that officer.

Read also the following resolution of the standing committee.

" On a close scrutiny of the revised budget estimate for 1925-26 and the budget estimate for 1926-27 the standing committee finds that it is not possible to reduce the provision in the next year's budget estimate so as to wipe out the deficit which is apparently due to reduction ordered by the Government in the contribution from the General funds of the Board for can the amount of this contribution be enhanced as the General budget estimate of the Board for the next year has also resulted in a deficit of Rs 10350/- for which compassionate allowance has been applied for. The revised budget estimate for the year 1925-26 has been now rerevised as to meet the most essential needs of the Board till 31-3-1926 and with reference to the present circumstances. The only course therefore left open to the Taluk Board is to address the Government to enhance the amount of the contribution under section 37 of the Elementary Education Act"

R.O.P No. 25 B-3/25-26, dated 7th July 1926.

Revised budget estimate for 1926-27- Elementary Education fund- Taluk Board, Udipi.

S u b m i t t e d.

2. In framing the revised Budget estimate the Board has not wiped off the deficit. The Board requests the payment of a contribution under section 37 of the Madras Elementary Education Act of 1920 to wipe off the deficit. The request for additional grant has been refused twice- please see Government Memo No. 3614 A-1 dated 30th September 1925 and G.O.No. 517 R. Law (Education) dated 11th December 1925.

3. As the financial position is not satisfactory, the Board should have postponed the expenditure under capital items. It is observed that a sum of Rs.4070 has been spent in 1925-26 on land and buildings. In the Budget estimate for 1925-26 approved in G.O. No. 1362 Law (Education) dated 7th August 1925 a sum of Rs.800 was provided under capital and there was no provision under land and buildings. The Board should have obtained previous sanction for incurring the expenditure of Rs.4070 as it was not provided for in the sanctioned Budget estimate for 1925-26. The request for additional grant is therefore not recommended.

[C.No. 25824] Domestic Dept. Note No. 25 B-8/25-26 52

7.7.26 19cf

The Taluk Board has provided for a contribution of Rs 4,270/- both for 1925-26 and for 1926-27, ~~against~~ the contribution ~~of Rs 4,270/-~~ fixed in the normal budget being Rs 4,272.

2. In revising the budget the Taluk Board has not avoided a deficit. ~~This, however, is observed~~ The provision made in the budget estimate for 1926-27 under salaries and allowances - Masters - seems to be high, as compared with the actuals of 1924-25, especially as the Board does not propose to open any new Schools in 1926-27, nor has it opened any in 1925-26. The provision under this item seems to be susceptible of reduction. The Board may kindly be asked to avoid any deficit in the budget by curtailing expenditure. The request for an additional subsidy under Section 37 cannot obviously be entertained.
